(+6) Kal'Hiril [ ] Bucket of Lyrium in the Commercial Room [ ] Not the Dwarfs Object? Poor Mr. Waggums. (+5) This is serious business. (+2) (for 3) I'm sure some will come out for sure. (+6) You are probably right. Right here. (+4) So happy to be able to make this happen for you. (+10) A new way: When Merrill is grieving over the death of the guardian, say "she [the guardian] was stupid". (+5) Best served cold: Accept Meredith's mission using the "How can I help?" and "Very well" options. (+10) Best served cold: Accept Orsino's mission using the "I will stop them" option (+10) Best served cold: telling Samson that the warlocks must be stopped (+10) best served cold: telling Orsino that Meredith was not involved (+5) best served cold: telling Meredith that he was involved in the conspiracy against her ("I will name names") (+5) Haunted: Let Varric keep Idol Justice (+5): Accept the mission by saying "You are right" followed by all aggressive responses. Inside abandoned warehouse near the merchants' guild. This is not a good idea. Anders. (-5) Instead, you are a gray director. (If Warden is a wizard) Do you think they can have my phylactery? I think you are aiming too low. (+2) Choose to defend the vigilance of vigilance. (-10) The authority of the chantry replaces the crown in this matter. See the mission page for details. (-5) (ends conversation) comes from below [ ] releasing the prisoners (+5) the vigil stay [ ] statue of andraste in the courtyard [ ] are not all human beings? (-1) Just stay useful. They should not be allowed to control it. (for 5) Why didn't you take it with you? (+5) Mirror image: deny Merrill the arulin'holm, or refuse in the fist and agree. Why "poor Mr. Waggums"? (to 3) Does nobody ever leave the Wardens? (to 4) How is it that they didn't just execute you? Warn either Grand Cleric Elthina or Cullen with the "star" dialogue with Anders in the party, after completing the quest. I can't believe you called him that. That sounds like a good start. You had a cat? What did she learn? (+6) Just don't try that again. (-5) Dragon Age III Friendship Friendship with Anders can generally be earned by siding with the mages or by being agreeable to him in conversation, or by directly confronting demons and blood mages. What brought this on? Everyone needs to be protected from you. (+6) Freedom for Anders (initiated by Namaya)[ ] After speaking to Namaya in Amaranthine. You cannot hide within the Grey Wardens' ranks. (+3) That might be stretching it. If you talk to him and end the conversation by asking him to stay you can gain as much as (+30). You don't care for the Chantry much, I see. (to 4) (non-mage wardens) And they didn't just make you tranquil? No. He stays with us. Accept the quest saying ""What does that mean?" followed by all Humorous responses (+5). (-5) I'm surprised they didn't do it sooner. There's plenty to do elsewhere. (available to a dwarf or elf Warden) Don't say such things! (available to a human Warden) (-6) It's just a statue. Except for him not being a person. A Bitter Pill: Defend the mages in the conversation after Hadriana's death. He can stay at the Keep, then. Act 1[ ] Act of Mercy: Tell Thrask you will help the mages (+5) Act of Mercy: Agree to help the mages escape (either by killing Thrask, or convincing him that they are dead) (+5) Act of Choose "I am your best friend" dialogue or postponing Varric while leaving the cave after agreeing to help without killing the thrak (+5) the expedition of deep roads: refusing to deal with rock Wraith / Demon (+10) Deep Expedition Roads: Concorde Find the guards for Carver or Bethany (+5) A wandering letter: Say you will keep your secret enemies (+5) between NOS: Peer Oenders to help in compulsion of Idunna: (+5) (note that this can be denied if you send to the templars) Enemies between us: pieces to Anders to check if Keran is possessed: (-45) (Note that this can be denied if you say you will have to tell the templars) (if merry is at your party, you can only ask her and win no approval) Enemies between us: the final conversation with Cullen on the strength of the gallows can earn several points of friendship. (Available to a dwarf or elf director) She was fighting the magicians. We have become forgotten and live young people. Maybe you're right. (for 5) I miss your little kitten, is not it? Act 1 [ ] Act of Mercy: Tell Thrak to deal with the Property Maggers (+5) Act of Mercy: Tell Alain it must return to the circle (aggressive option) (+5) Act of mercy: Say Grace that you will not help your (+10) act of mercy: Once you leave the fugitive cave, turn off the magicians to the templars (+15) a wandering card: Tell Thrak Me Pay or I expose you (+5) bait and switch: choose "I'm fine aware." (+2) "(sigh)All I want is a pretty girl, a decent meal, and the right to shoot lightning at fools." Pretty girl. Nothing more? (+5) (note this can be negated if you asked Anders to check for possession) Enemies Among Us: The final conversation with Cullen in the Gallows Courtyard can earn various rivalry points. (to 2) I don't "have" to do anything. If Anders is present and you end with "It is wrong to oppress Mages" option (+5) Act 2[] Visit Anders: There is a maximum of (+35) (for a female) (+15) (for a male) to be gained here with flirting, (+5) without it. (+2) (to 3) Once you're a Warden, there's no going back. "It's the templars' fault": (+10); "Keran should keep his status" (+5) Long Way Home: When Merrill opens the barrier with blood magic, pick: "The demon, you mean." (+10) Loose Ends (Meeran): Refuse to kill Harriman (+5) Shepherding Wolves: Accept the quest from Sister Petrice (+10) Shepherding Wolves: Refusing to turn over Ketojan (+10) Talk to Anders: You can gain up to (+10) for a female/ (+15) for a male, but only via flirting. (+2) Choose to save Amaranthine. That's just someone baking a pie. And now you have a new one. Dissent: Stop Anders from killing the girl (star dialog option) (if on the Rivalry path) (+15) Dissent: In the final dialogue with Anders, take the aggressive path (+20), although you must end by asking him to stay with you. Night Terrors: When Marethari asks to kill Feynriel in the Fade, reply "I can't do that". So this was a lure? (+5) Reject Topor's offer. (to 3) I've never liked the idea of being trapped somewhere, to be honest. (-3) We remain vigilant. (+2) Is this all you about? . send emile de launcet back to the Circle after allowing him to spend the night with Nella (+5). Friends stay on each other. (-3) She would probably think it was a good meal. "Can I point out that you're not right?" [I Talk to Anders after completing the freedom for the Anders, I'll go ahead. (+10) Wending Wood [] The fair way [] to recruit Velanna as a gray director. (+10). Perspective Not good. (+5) Shepherding Wolves: reject the miss of the Petrified Sister (+5) Shepherding Wolves: In Ketojan for Arvaarad (+10) Talk to Anders: You can't win until (+10). (+3) But you're not a gray director now. Edit AutoConversation on Return Vigil's Throne Room, but can be started (requires at least 26 approval). (+12) I need all the gray directors. (-15) Note that this option also produces a negative effect on Nathaniel Howe, resulting in a (-1) and losing permanently. (+10) Save Feynriel instead of killing him in the disappearance. Sessions: Agree to help Anders (+5) Stop Anders from killing the girl (Star Dialog) (if you are on the path of friendship) (+15) in the final conversation, if you do not simply give the papÁ ©is de Anders Ser Alrik (Star Dialog) You will not receive (+15).
